Devon Fleming is considered Connecticut's Home and Lifestyle Expert. She is the author of the popular *Pink Book, The Hottest Guide to Living in Fairfield County*, writes for area magazines and newspapers, gives Fairfield County living tips on four Cox Radio stations, and is a regular correspondent on the ABC-affiliate program *Connecticut Style*. In addition, Devon is a local lecturer and host at many charitable events. Devon had a 13-year career on Wall Street working for Mike Bloomberg and in investment banking, and therefore has an extensive financial background as well.
